Career Objective

Enthusiastic and detail-oriented B.Tech student specializing in Computer Science and Engineering with strong problem-solving skills and hands-on experience in software development and programming. Solid understanding of computer systems, algorithms, and data structures. Seeking an entry-level position to apply my technical expertise and academic knowledge in a dynamic tech environment.

Education

- **B.Tech in Computer Science Engineering** – Parul University, Vadodara, Gujarat
June 2022 – June 2026 (4th Year)
- **Senior Secondary (12th)** – Tarapur Vidya Mandir, Boisar
2022, MSBSHSE, Percentage: 61.67%
- **Secondary (10th)** – Tarapur Vidya Mandir, Boisar
2020, MSBSHSE, Percentage: 79.80%

Technical Proficiencies

- **Languages:** Python, Java, C, HTML, CSS, JavaScript
- **Frameworks/Libraries:** React.js, Node.js
- **Databases:** MongoDB, SQL
- **Tools:** MS Word, Excel, PowerPoint
- **Concepts:** DSA, OOP, REST APIs, Problem Solving, Data Analytics
- **Domains:** Stock Market, Financial Markets

Soft Skills

Communication, Leadership, Quick Learner, Public Speaking, Public Relations, Time Management, Teamwork, Analytical Thinking

Projects

- **Portfolio Website – Live Site**
A personal portfolio website showcasing my projects, skills, and experience in web development and programming.
- **To-Do List Web App – GitHub Repo**
A simple, interactive task manager web app for creating, updating, and tracking to-dos using browser local storage.
- **Sample Product Webpage – Live Demo**
A clean, responsive product landing page demonstrating front-end design skills with a focus on layout, usability, and product presentation.
- **Product Webpage – Live Demo**
Created a clean and responsive product webpage to showcase features and improve user experience.

Internship Experience

Admission Assistant – Parul University, Education Sector

Mar 2024 – Oct 2024

- Assisted with application processing, student record management, and administrative documentation.
- Maintained strong public relations by addressing student and parent inquiries in person, via phone, and over email.
- Played a key role in organizing and managing admission events, orientations, and etc.
- Improved data handling by managing databases and performing accurate data entry tasks.
- Worked collaboratively with departments ensuring smooth workflow and timely resolution of admission-related issues.
- Developed soft skills including communication, time management, and interpersonal interaction in a real-world education setting.

Certifications

- **Theory of Computation – NPTEL**
Successfully completed an online certification course from IIT Kanpur that strengthens my understanding of computational theory and problem-solving concepts.
- **Football Certificate – State-level football player**
Recognized as a state-level football player, demonstrating dedication, teamwork, and athletic excellence.
- **Generative AI Certificate – Parul University**
Completed a hands-on workshop covering the fundamentals of Generative AI, including AI models, prompt engineering, and practical applications.
- **Investor Awareness Test Certificate – SEBI NISM**
Successfully completed the SEBI Investor Awareness Test, gaining knowledge of financial markets, investment strategies, and investor protection guidelines.

Personal Interests

- Playing football
- Learning and Trading in Financial Market
